

Chippewa Falls Public Library Young Adult Advisory Council (YAAC)

Chippewa Falls Public Library
105 W. Central St.
Chippewa Falls, WI 54729

The Young Adult Advisory Council (YAAC) is an opportunity for teens to make their voices heard here at the library. Teen volunteers will have the opportunity to help plan library programs, suggest books for the young adult collection, and participate in special events. Involvement in the Advisory Council also looks great on resumes and college applications.

YAAC also help to promote the library by getting their friends involved, sharing information about library events with friends and teachers at school, and providing input and suggestions from the community.

If any of these activities interest you, then the Advisory Council may be your opportunity to get involved and make a difference in your community. The board will meet once a month with food and refreshments provided.

Please fill out and return this application to Chippewa Falls Public Library Information Desk.
