

GRADES 6 - 12 ACTIVITY LOG

Earn prizes and raffle slips when you participate in library programs, keep your brain and body active, help around the community, and explore more! Color in a square when you complete an activity in that category. Fill out the raffle slip then bring it to Chippewa Falls Public Library by 8/12/23 to enter the raffle and claim your prize. You are welcome to pick up a new sheet when you have finished this one.

Go to <https://www.chippewafallslibrary.org/teens/> for a list of ideas to get you started. A single activity can be used in only one category (i.e. making art outside can be marked as Art & Music OR Nature/Environment but not both). A Prize List is also available on our website.
